# Multi-Account Trading (MAT)

The screenshot displays a trading platform interface for Multi-Account Trading (MAT). The main window shows a table of accounts for BABA, with columns for Account, NAV, HKD, Margin Utilization, Free Money, Position Allocation, Value, Fee, and Quantity. The table lists 10 accounts (YLA0057.001 to YLA0057.010) with a total value of 381,851.00 and a total quantity of 1,994. A dropdown menu is open over the 'By NAV' option, listing 'Manually', 'Equally', 'By NAV', 'By Free Money', 'Position', and 'Allocation'. The interface also includes a top navigation bar with various trading tools, a left sidebar with account selection, and a right sidebar with order entry and monitoring.
