MUND 
A WORLD OF EXPERTS
AN OCEAN OF KNOWLEDGE

Nowadays we are living in the time of a digital revolution, where all transactions, financial movements, investments and other things, are made through digital institutions authorized to perform such operations, whose main feature is automation and speed.

This has caused the growth of the global economy demand for financial institutions dedicated to perform all operations so that money can maintain its proper circulation around all corners of the world.

THE MOST COMMON THING TODAY HAS BEEN THE CREATION OF DIGITAL BANKS, REPLACING IN A SENSE THE TRADITIONAL BANKS AND EXCHANGE INSTITUTIONS, TAKING THIS SECTOR TO A NEW LEVEL OF DEVELOPMENT.

So, here is the platform that we would like to introduce to our readers.

MUNDO's Offer

The platform has an infrastructure that is large enough for its clients to make and receive payments in more than 130 countries and in over 50 foreign currencies without high fees or hidden costs for international transactions.

Who is the Platform for?

The financial platform is created for legal entities: small businesses and larger corporations to develop on a more global level than they would with a traditional banking service. It is a perfect solution for:

- importers or exporters
- online store holders
- companies trading with customers overseas, and many other businesses with global ambitions.

Through this platform you will be able to:

- open bank accounts, domestic and international, in minutes
- start accepting payments online in seconds
- store and manage funds across the globe
- build the best FX rate into your customer pricing and transactions
- program your domestic and international payouts
- safely issue and manage cards
- create your own payments and financial products

Why MUNDO's Partner?

How to Onboard?

Setting up an account with our partner is quite simple, since with all the automation of the platform the process is agile and fast.

The steps to do this are:

- enter your first name, last name and business email
- choose the password
- provide the name of the business and the place where it is registered
- enter the phone number of your choice
- accept the terms and conditions

Once this process is done, the next step is to verify the account in order to access all the functions provided by the platform:

- verify your email address
- provide key data on the business (the structure, the field in which it operates and the place where it is registered, as well as a link to the home page or to the social networks of the business. This will take less than 5 minutes).
- specify in which countries the business is registered and from/to which countries you will receive/send funds.

Finally, the last documents will be needed to complete the account verification process.

The documents needed for this are as follows:

- Certificate of Incorporation
- Memorandum and Articles of Association or equivalent company constitution documents
- Copies of personal ID (driver's license or passport) and personal address for all directors.
- Copies of personal IDs for each Ultimate Beneficial Owners who own or control, directly or indirectly, 25% or more shares in the business.

Once all this is done you will be able to start using the platform to the full extent, enjoying all its advantages within the financial world.

If you are about to start a business or want to develop the existent one to a larger scale, you have to sign up for a digital institution like this, as the financial part of a business might be the most important one, especially when it comes to banking and exchanging currencies from all over the world.

In Mundo we are always looking forward to giving assistance and proper information in this regard, so do not hesitate to contact us.
